

# Support employees supporting their loved ones

Help caregivers by offering MASA medical transportation coverage to everyone in their family — even aging parents.

## Working-age caregivers feel the strain — at home and work.

Adults caring for dependent children and their aging parents simultaneously — known as the sandwich generation — can especially feel squeezed and under-supported.

**24.6**  
million working-age adults (16–64) assist with care for a family member, relative, or friend.

**12.9**  
million working retirees (age 65+) are expected by 2030.
