MASA®
Emergent Gold

Strengthen your emergency medical transportation protection

Plan includes:

Emergency Ground Ambulance Coverage[2]
If you ever need an emergency ground ambulance, MASA will pay for your eligible out-of-pocket expenses.

Emergency Air Ambulance Coverage[2]
If a first responder or doctor says air transport is medically necessary during your emergency, MASA will pay you an indemnity benefit of $15,000 for your eligible air transport.

Hospital to Hospital Ambulance Coverage[2]
If your doctor orders a ground or air ambulance to move you to another hospital for specialized care, MASA will pay for your eligible out-of-pocket expenses.

Repatriation to Hospital Near Home Coverage[2]
After a hospital stay more than 100 miles away from home, MASA will help arrange and pay for air or ground transportation so you can return home to recover. If non-air transport is impossible or impractical, the 100-mile statue will not apply.

About MASA

Founded in 1974, Medical Access & Service Advantage (MASA®) is the leading Emergency Transportation protection built to enhance healthcare plans by protecting against out-of-pocket costs associated with emergency medical transport. Today, as a global organization with 14 international locations and services in all 50 states and Canada, MASA serves more than 2 million members with emergency and non-emergency transportation cost-reimbursement services and so much more.

2: United States and Canada
