Plan benefits	Explanation
<p><b>Emergency Air Ambulance Coverage<sup>3</sup></b></p>	<p>MASA will cover Out-of-Pocket Expenses incurred by the Insured Person resulting from Emergency Air Transportation, necessitated by a Serious Emergency, to the nearest and most appropriate Medical Facility readily capable of receiving the Insured Person and providing the necessary level of care, as may be required due to the Serious Emergency. Coverage for Emergency Air Transport by fixed-wing aircraft shall be due, exclusively, to: a. The unavailability and/or inefficiency of transport by rotary aircraft or ground transport; and b. Necessity of specialized treatment for a Serious Emergency not immediately available locally. Transport must result from the request or recommendation by a first-responder or transferring Physician who deems Emergency Air Transportation medically necessary. Services must be provided by a medically-equipped helicopter or fixed-wing aircraft that is provided by a common air ambulance carrier.</p>
<p><b>Emergency Ground Ambulance Coverage<sup>3</sup></b></p>	<p>MASA will cover Out-of-Pocket Expenses incurred by the Insured Person resulting from Emergency Ground Transportation, necessitated by a Serious Emergency, to the nearest and most appropriate Medical Facility readily capable of receiving an Insured Person and providing the necessary level of care, as may be required due to the Serious Emergency, or to a Suitable Airport for the purposes of Emergency Air Transportation, as may be required by the Serious Emergency.</p>
<p><b>Hospital to Hospital Ambulance Coverage<sup>3</sup></b></p>	<p>MASA will cover Out-of-Pocket Expenses incurred by the Insured Person associated with the Insured Person’s hospital to hospital transfer, necessitated by a Serious Emergency, by a medically-equipped, ground ambulance, rotary (i.e., helicopter) or fixed-wing aircraft from a Medical Facility where the Insured Person is presently admitted to the nearest and most appropriate Medical Facility, capable of providing the necessary, specialized level of care, as may be required and that is not available at the sending facility and ordered by the treating physician.</p>

Plan benefits	Explanation
<p><b>Repatriation to Hospital Near Home Coverage<sup>1</sup></b></p>	<p>MASA will provide services and Out-of-Pocket Expenses associated with the coordination of an Insured Person's non-emergency transport by a medically-equipped ground ambulance, rotary (i.e., helicopter) or fixed-wing aircraft in the event the Insured Person is hospitalized more than one hundred (100) statute miles from the Insured's Residence and the Insured Person's treating Physician and Transportation Services Administrator determine it is medically appropriate to transfer the Insured Person to a Medical Facility nearer to the Insured's Residence for continued care and recuperation. However, the one hundred (100) statute miles limitation does not apply if non-air transportation is impossible or impractical. Although every effort will be made to transport the Insured Person to Medical Facility of the Insured Person's choice, some factors outside of the Transportation Services Administrator's control may limit ability to fulfill the Insured Person's request. Such factors include, but not limited to, no bed available at requested Medical Facility and required services for the Insured Person's condition are not available at requested facility. Such services may be provided by common carrier and/or ground ambulance, if appropriate. Such services shall be provided contingent upon: a. Certification by the Insured Person's treating Physician and the Transportation Services Director; and b. The Insured Person's compliance with the Access of Services provision of this Policy.</p>
<p><b>Patient Return Transportation Coverage<sup>1</sup></b></p>	<p>MASA will provide services and cover Out-of-Pocket Expenses associated with the coordination of the Insured Person's transportation by regularly scheduled commercial carrier ticket to the commercial airport nearest to the Insured's Residence following the Insured Person's 24-hour admittance and discharge/release from a Medical Facility located more than one hundred (100) statute miles from the Insured's Residence. Such services shall be provided contingent upon the Insured Person's compliance with the Access of Services provision of this Policy.</p>
<p><b>Companion Transportation Coverage<sup>2</sup></b></p>	<p>MASA will provide services associated with the coordination of transportation for the Insured Person's spouse, other family member, or companion to accompany the Insured Person on the Insured Person's emergency transport by a medically equipped, rotary (i.e., helicopter), or fixed-wing aircraft, giving due priority to the medical personnel and/or equipment and the welfare and safety of the patient. Such services shall be provided contingent upon the Insured Person's compliance with the Access of Services provision of this Policy.</p>

Plan benefits	Explanation
<p><b>Hospital Visitor Transportation Coverage<sup>2</sup></b></p>	<p>MASA will provide services and cover the air transportation expense associated with the coordination of one round-trip, regularly scheduled, commercial carrier ticket for the Insured Person's spouse, other family member or companion to join the Insured Person in the event that the Insured Person is hospitalized for more than 7 days as an in-patient in a Medical Facility more than one hundred (100) statute miles from the Insured's Residence. Such services shall be provided contingent upon the Insured Person's compliance with the Access of Services provision of this Policy.</p>
<p><b>Minor Return Transportation Coverage<sup>2</sup></b></p>	<p>MASA will provide services and cover Out-of-Pocket Expenses associated with minor return transportation to a parent, legal guardian, or other person that can be responsible for the Minor in the event that the Minor is left unattended as a result of the Insured Person's utilizations of Emergency Air Ambulance Coverage, Emergency Ground Ambulance Coverage, Hospital to Hospital Ambulance Coverage, Repatriation to Hospital Near Home Coverage, or Mortal Remains Transportation Coverage benefits. The Company shall also provide for a qualified attendant to accompany such Minor en-route, in the event that the Minor's age and/or medical condition may necessitate such accompaniment. Fare and class for such transport and care is at the sole discretion of the Transportation Services Administrator. Such services may be provided by common carrier, if appropriate. The Company is not responsible for Minor's illness, injury or death during such return and/or care. Such services shall be provided contingent upon the Insured Person's compliance with the Access of Services provision of this Policy.</p>
<p><b>Organ Retrieval &amp; Organ Recipient Transportation<sup>4</sup></b></p>	<p>MASA will provide services and cover the air transportation expense associated with the coordination of transportation of an organ to be used in an organ transplant procedure required by the Insured Person or transportation of the Insured Person and the Insured Person's spouse, other family member or companion in the event that the Insured Person is in need of an organ transplant procedure. In the event of an Organ Recipient Transportation, such transportation shall be by a medically-equipped fixed-wing aircraft, if a Serious Emergency, or by commercial carrier to the Suitable Airport nearest the site of the transplant procedure. Transportation of the Insured Person's spouse, other family member or companion may be limited due to availability, giving due priority to the medical personnel and equipment aboard the medically-equipped fixedwing aircraft for the welfare and safety of the transported Insured Person. This service shall apply to the retrieval or transplant of a heart, lung, liver, kidney, or pancreas, anywhere in the United States of America. Such services shall be provided contingent upon the Insured Person's compliance with the Access of Services provision of this Policy.</p>

**Plan benefits****Explanation****Mortal Remains  
Transportation Coverage<sup>1</sup>**

MASA will cover the airway bill transportation expense associated with a regularly-scheduled commercial carrier to the commercial airport nearest to the Insured's Residence of the Insured Person's mortal remains in the event Insured Person's death occurs more than one hundred (100) statute miles from the Insured's Residence. The Company may elect to cover transportation by ground, if appropriate. Such services shall be provided contingent upon the Insured Person's compliance with the Access of Services provision of this Policy.
