

Strengthen your health plans with MASA Essentials

Fundamental protection for emergency transportation.

Our Essentials plan helps employees access emergency care with greater confidence. Designed for groups with 5,000 employees or more, our employer-paid Essentials Plan* includes:

Emergency Ground Ambulance Coverage

MASA covers an enrolled employee's out-of-pocket expenses up to \$750 for emergency ground transportation to a medical facility in the U.S. and Canada.

Emergency Air Ambulance Coverage

MASA covers an enrolled employee's out-of-pocket expenses up to \$7,500 for emergency air transportation to a medical facility in the U.S. and Canada.

Hospital to Hospital Ambulance Coverage

When specialized care is required but not available at the initial emergency facility, an enrolled employee's out-of-pocket expenses for transfer to the nearest appropriate medical facility are covered up to \$750 for ground transportation and \$7,500 for air ambulance transfers in the U.S. and Canada.

How MASA works

MASA is support employees can count on to protect them from the unexpected. Our solution is simple — with us, there is no network limitation. We cover all ambulance services in the U.S. — so no matter where employees are, they're protected.

With a MASA Essentials plan employees can worry less about paying for unexpected ground or air transport bills after an emergency. They just send us the bill when it arrives, and our caring member support team will work to apply their benefits. There are no deductibles, no claim forms, no hassles. So, employees can stay focused on recovery.
